Judges evaluate each entry on its own merits. In the event judges determine that an entry is not up to their standards for award recognition, no award will be presented in that category, even if only one entry is received. Conversely, if an entry is deemed award worthy, but does not fit a specific category, judges may elect to designate it as a FAME winner in a specialized category. In all instances, the decision of the judges is final. Quality photos on CD or flash drives are required for your FAME entries IN MANY CATEGORIES AS SPECIFIED. These CDs and/or flash drives will be used in the judging process and as part of the presentation at the FAME Awards Gala.
