Please help the Professional Women in Building of the Garden State once again make the Holiday Season a bit brighter for the amazing girls at Collier Group Home in Red Bank. Please consider bringing a monetary donation for our gift basket raffle. Thank you - your kindness is appreciated!

Collier Group Home is a residence for teenage girls who are unable to live in their own homes due to significant and longstanding personal or family issues. The girls live together in a warm, attractive setting where they interact with each other and supportive adults. Staffed twenty-four hours a day by professional counselors, the residence provides a stable and affirming environment in which girls prepare to return to their homes or independent living.
